13. At the same time, two uniformed Jersey City police officers (hereinafter “Defendants John Doe 1-10”) were also at near the building situated at 500 Martin Luther King Boulevard in Jersey City, New Jersey.

27. The unnamed defendants assisted each other in performing the various actions described and lent their physical presence and support, and the authority of their office to each other during the said events.

28. Upon belief, the Defendants John Doe 1-10, acting under color of law, failed to file any report, statement, or the like regarding the events that occurred on or about September 8, 2017.

29. The actions of the Defendants John Doe 1-10, resulted in illegal, continued abuse of process to hide the assault and battery and intentional infliction of emotional distress upon the Plaintiff. This caused Plaintiff to be denied his constitutionally protected rights, under both State and Federal Law, to be subject to an assault and illegal search, to be caused pain and suffering, and otherwise endure mental and emotional stress.

30. As a result, of Defendants actions, Plaintiff was denied his constitutionally protected rights, under both State and Federal Law, was illegally searched and assaulted, was caused to sustain pain and suffering, and otherwise endure mental and emotional distress.

ADDITIONAL FACTS SURROUNDING LIABILITY

37. JC Defendant is the ultimate policymaking authority for all officially-adopted policies and procedures implemented by employees of JC Defendant, including all unnamed officers as Defendants John Doe 1-10. Further, it is the entity legally responsible for the hiring, retention, supervision, and training of employees of the PD Defendant, as well as, administering any discipline to said employees.

38. The PD Defendant has a long-standing de-facto policy of unlawful profiling as has been acknowledged by New Jersey governors, attorneys general and the local politicians. Upon information and belief, in the past few years alone, more than ten (10) current and former officers at PD Defendant have been charged with corruption and/or using excessive force.

39. JC Defendant has been placed on notice that there is a pervasive and systematic pattern, custom and practice within the PD Defendant to unlawfully stop, search, arrest and use excessive force by rendering vicious beatings to members of the public – even those who do not resist arrest, including innocent bystanders and those accused of minor criminal infractions – and to make great efforts to use excessive force outside of the view of third-party witnesses, and frequently while the person detained is subdued, restrained, or otherwise still in handcuffs.

40. False reports are rendered, and prosecutions are officially pursued against the victims of these unconstitutional beatings and excessively forceful arrests. Finally, the internal investigations into such allegations of excessive force are almost always a virtual whitewash, as officers of PD Defendant are rarely, if ever, punished for such conduct even when investigations reveal conduct that requires actions to be undertaken against the officer(s) involved to prevent such civil rights and constitutional violations in the future.

41. Specifically, the notice to the PD Defendant of the unconstitutional conduct of its officers and employees has occurred through notices of intent to sue, lawsuits, internal affairs investigations, and media reports, yet the PD Defendant fails to take any remedial action.

42. Thus, PD Defendant is also on notice of the fact that a systemic and pervasive pattern and practice of excessive force and wrongful and unreasonably forceful arrests with exist within the Jersey City Police Department and that members of the citizenry are the victims of these acts

committed by Jersey City Police Department officers in violation of the Fourth, Fifth, Eighth and Fourteenth Amendments.

43. Defendant Jersey City Police Department officers are allowed and indeed encouraged to commit these wrongful and unconstitutional acts with impunity knowing that no discipline, much less meaningful discipline, will follow for acts of excessive force. Such illegal conduct is ratified and condoned by PD Defendant.

44. The John Doe 1-10 Defendants are comfortable in the knowledge that any act of excessive force that they commit will not result in discipline by PD Defendant even when the act of excessive force occurs. Thus, the lack of discipline for acts of excessive force, allowed the John Doe 1-10 Defendants to wrongfully stop, search, detain and commit excessive and unreasonable force against the Plaintiff because the John Doe 1-10 Defendants knew that there would be no official reprisals for their actions against the Plaintiff.

45. Upon information and belief, the discovery phase of this litigation will further reveal many other instances where PD Defendant, by and through its officers and employees, has allowed, condoned, and encouraged a systemic, ratified, and sanctioned policy of acts of excessive and unreasonable force, wrongful stops, wrongful searches, wrongful detainment and racial profiling only to fail to discipline personnel for such actions, much less properly supervise and train to prevent further abuses.
